JUNIOR ACADEMY

The Ian Muir Golf Summer Academy is the perfect environment for girls and boys to learn or improve their game of golf.

We guarantee to give you the best possible start in Golf.

//player assessment

Each player is individually assessed so that we can ensure that they derive maximum benefits regardless of age or ability.

To gain the maximum benefit from our Academy we recommend that the children subscribe for more than one of the weekly courses.

//player eligibility

Open access – every young golfer is welcome – you don't have to be a member of a golf club to join in.

//registration

Registration for each Course is on a first come first served basis. Each student must have his or her own individual registration form.

Please note that there will be a ratio of 10 pupils to 1 coach. When the class is full there will be no exceptions. If required, there will be more than one clinic running per time.
